

KHUSHI SRIVASTAVA

Python Developer | Frontend Developer

Kanpur, Uttar Pradesh, India | 7054042434 | khushisrivastava442@gmail.com
LinkedIn: linkedin.com/in/khushi-srivastava-bb240632 | GitHub: github.com/khushisrivastava442-ui

PROFESSIONAL SUMMARY

BCA student with hands-on experience in Python and frontend development. Familiar with Python, HTML, CSS, JavaScript, Flask, and basic C/C++. Developed projects involving web development, automation, data handling, and interactive user interfaces. Completed an AI Web Development Internship and additional training in Artificial Intelligence, Machine Learning, and Software Engineering. Currently seeking an internship or entry-level opportunity in Python or Frontend Development.

TECHNICAL SKILLS

Programming	Python, C, C++ (Basic)
Web Development	HTML, CSS, JavaScript, Flask
Tools	GitHub, Jupyter Notebook, Microsoft Office, Microsoft Word
Design	Canva — Good Proficiency
Other	Data Entry, Problem Solving, Communication, Teamwork

PROJECTS

LinkedIn Post Automation

Python, Flask, Requests, python-dotenv

- Developed a web-based application using Python and Flask.
- Used Requests for handling application/API requests.
- Used environment variables for application configuration.

Stock Portfolio Tracker

Python

- Developed a Python application for tracking stock portfolio information.
- Added features for user input and investment-related calculations.
- Used CSV-based data storage for maintaining portfolio records.

Responsive Image Gallery

HTML, CSS, JavaScript

- Created a responsive image gallery for different screen sizes.
- Implemented image viewing and navigation features using JavaScript.
- Designed the interface using HTML and CSS.

Basic Calculator

HTML, CSS, JavaScript

- Developed a browser-based calculator for basic arithmetic operations.
- Implemented calculation logic using JavaScript.
- Created a simple and responsive user interface.

AI Resume Match Platform

Python

- Worked on a concept for matching resumes with relevant opportunities.
- Focused on using candidate skills and qualifications as matching criteria.

INTERNSHIP EXPERIENCE

AI Web Development Intern

InAmigos Foundation | 05 August 2026 – 25 August 2026

- Worked on web development tasks during the internship.
- Gained practical exposure to AI and web development concepts.
- Applied programming and development concepts through assigned activities.

EDUCATION

Bachelor of Computer Applications (BCA)	CSJM University College of Engineering and Technology	2024 – Present
Class XII	Shri Omar Vaish Shikshayatan Inter College	2024
Class X	Shri Omar Vaish Shikshayatan Inter College	2022

CERTIFICATIONS

- AI Web Development Internship — InAmigos Foundation | August 2026
- GEN AI NASSCOM — Assessment Completion | September 2026
- Advanced Software Engineering Job Simulation — Forage | June 2026
- Artificial Intelligence Masterclass — Cursa | May 2026
- Predict Flight Delays by Creating a Machine Learning Model in Python — Microsoft Learn | April 2026
- Introduction to Machine Learning Concepts — Microsoft Learn | April 2026
- Graphic Design Essentials — 45-minute Training Course | September 2026
